

House of the Magi

The Breakspear family are an ancient English clan that originated in Italy taking their name from the Lancellotti family which are still nobles in Rome and Campania with Prince Filippo Massimo-Lancellotti and he manages secret societies of Druids including the Ancient Order of Druids in America. Satanic Druids are involved in making human sacrifices deep in the forests. Lance means spear and rotti means to break. Lancerotti is another Italian variation of the more commonly used Lancellotti family name. The Breakspear family produced the only English pope in history who was Pope Adrian IV or Nicolas Breakspear. Pope Adrian IV issued the papal

bull *Laudabiliter* ordering the Normans in England to invade Ireland which they did and bring it under Papal-Roman authority which they also did. This is why Ireland is predominantly Roman Catholic today. Cardinal Boso Breakspear was a relative of Pope Adrian IV and a both Italian and English. The musician Cindy Breakspear fathered Damian Marley with Bob Marley. Damian Marley is a descendent of Pope Adrian IV and a part owner of the Jamaican Mafia or Jamaican Posse which have large operations in London. The Jamaican Posse are involved in marijuana trafficking and use these profits for financing their other criminal activities including human trafficking. Damian Marley is a ruthless mobster.
